

How She Economizes!

"I study advertisements and I know where and when and how to purchase the household supplies. My husband used to laugh at me for reading advertisements so carefully, but he has long since learned that I save many dollars every month. I know of no better way to practice economy. It is a wonder how soon you learn to detect the real from the false—intuitively almost. I think I have never been 'taken in' by an advertisement. This is the experience of a bright lady who has practiced what we preach from week to week in our advertisements. We have the goods at the very lowest prices made anywhere. How can you economize, save money easier, than by getting your supplies of all kinds below the regular prices.

BANK TRAGEDY.

President of a New York Bank
Shot by a Crank.

The Would-be Murderer Then Puts a
Bullet in His Own Body.

A Stranger Calls on President Geo. H. Wyckoff and Demands \$6,000—On Being Refused, the Above Was the Result—Both in the Hospital—Will Die.

NEW YORK, June 16.—At half past 12 o'clock Monday afternoon a stranger who gave his name as Chas. Clark, 30 years of age, went into the New Amsterdam bank, at Broadway and 39th street, and asking for President Geo. H. Wyckoff, was admitted to his office. Soon after entering the stranger fired two shots at Mr. Wyckoff and then attempted to kill himself by putting a bullet in his abdomen. Mr. Wyckoff was shot in the side and abdomen. The man Clark presented a letter to President Wyckoff, written on a letter head of the Hotel Marlborough. It contained a demand for \$6,000, and threatened Mr. Wyckoff with death unless he furnished the money. The letter also stated that the bearer had a partner outside the bank who had Mr. Wyckoff "covered," and that if he made any alarm and refused to give the money, a stick of dynamite would be thrown into the bank that would blow up the building. President Wyckoff refused Clark the money and the latter then shot him. The police believe that Clark is insane.

At the New York hospital it was said Clark's condition was more serious than President Wyckoff's. The latter, it was stated, might recover, although his injuries are very serious.

It was said at the New York hospital Monday afternoon that President Wyckoff had only been shot once, not twice as first reported. The bullet struck him in the lower part of the abdomen, penetrating vital parts. Mr. Wyckoff is very low. Clark is shot through the stomach and is also very low. He refused to say anything about himself. Mr. Wyckoff is too weak to talk. Both men will probably die, the hospital authorities say.

George H. Sempie, the man who shot Banker Wyckoff, died in the New York hospital Tuesday at one o'clock.

A CALL

For a Convention of the Negro Democracy of the United States.

INDIANAPOLIS, Ind., June 16.—The following call was issued here Tuesday for a convention of the Negro democracy of the United States:

HEADQUARTERS, EXECUTIVE COMMITTEE, NEGRO NATIONAL DEMOCRATIC LEAGUE, INDIANAPOLIS, Ind., June 16, 1896.

To the members of the Negro National Democratic League and to all Negro democrats who are in accord with democratic principles as taught by Grover Cleveland and our brave leaders of Negro democracy: You are hereby notified that the Negro National Democratic League will meet in Chicago, Ill., on Tuesday, the 11th of August, at 12 o'clock.

Every loyal Negro democrat who believes in organized Negro democracy is invited to take part in the several states and territories in selecting representatives to attend this convention, and for this purpose it shall not be actually necessary to be enrolled as a member of the league. The delegates to the national convention must be elected early enough to permit the secretary of the state convention in which they are elected to forward their names to the chairman of the executive committee, Indianapolis, Ind., August 5, 1896.

Will Second the Nomination.
ST. LOUIS, Mo., June 16.—J. Madison Vance, a bright young lawyer and a delegate at large from Louisiana, will second the nomination of McKinley on behalf of the colored delegates. Mr. Hanna asked the leaders of the colored contingent to select a man for that honor, and Mr. Vance was chosen Tuesday at a conference attended by Col. Jas. Hill, of Mississippi; ex-Congressman Robert Small, of South Carolina; J. H. Deveraux, Georgia; Henry Demas, Louisiana; Judge Joseph E. Lee, Florida; and S. E. Smith, Kentucky.

Will Be Instructed for Free Silver.
POCAHELLO, Ida., June 16.—The democratic state convention opened in this city Tuesday. The prevailing sentiment seems to be decidedly against the financial policy of President Cleveland and it is a foregone conclusion that the delegates to the national convention will be instructed emphatically for free silver. Hon. J. W. Reid will in all probability head the delegation. National Committeeman Hon. Frank W. Beane is hopeful of re-election.

Attempted to Kill the Mine Superintendent.

IRON MOUNTAIN, Mich., June 16.—Miners whom Capt. Martin Goldsborough, superintendent of the Chapin mine had refused to employ, are suspected of an attempt to kill him and his family. Two sticks of dynamite were exploded under their house, which was badly damaged, but nobody was injured. The captain has had no trouble with the men at work in the mine.

H. Clay Evans for Vice President.
ST. LOUIS, June 16.—The Tennessee delegation met at 10 o'clock Tuesday morning and adopted resolutions earnestly commending to the convention the name of Henry Clay Evans as a candidate for vice-president.

Boy Killed on the Track.

CHATTANOOGA, Tenn., June 16.—Passenger Train No. 1 of the Cincinnati Southern, southbound, killed an unknown 14-year-old lad near Helenwood, Tenn. He was asleep on the track and was horribly mangled.

Morton Will Not Accept Second Place.
ST. LOUIS, June 16.—Speaking of the rumor that Gov. Morton had consented to accept the second place on the presidential ticket, Mr. Chauncey Depew stamped it as wholly without foundation.

THE FINANCIAL PLANK

Of the Platform as Agreed to at a Conference of Leading Republicans.

ST. LOUIS, June 16.—The text of the financial plank of the platform was agreed to Tuesday morning at a conference held immediately after breakfast by Mr. Hanna, Senator-elect, Foraker and Senator Lodge. It is as follows:

The republican party is unreservedly for sound money. It caused the enactment of the law providing for the resumption of specie payments in 1870; since then every dollar has been as good as gold.

POWELL CLAYTON.

"We are unalterably opposed to every measure calculated to debase our currency or impair the credit of our country. We are, therefore, opposed to the free coinage of silver except by international agreement; and, until such an agreement can be obtained, the existing gold standard must be preserved. All our silver and paper now in circulation as currency must be maintained at a parity with gold, and we favor all measures designed to maintain inviolably the obligations of the United States and all our money, whether coin or paper, at the present standard, the standard of the most enlightened nations of the earth."

A strong effort has been made to incorporate in the tariff plank a clause favoring a bounty on sugar manufactured from beets, an industry in which the states of Nebraska, Kansas, California and several others are vitally interested. This, however, it is understood, will not be done for the reason that it would commit the party too strongly to the policy of paying bounties, a question upon which the party is more or less divided. The subject will be taken care of in the general tariff plank.

The Cubans now engaged in rebellion against Spanish government will find hope and comfort in the expression of the convention with relation to that subject. A separate plank will express strongly the sympathy of the republican party for the Cuban patriots and a declaration will be incorporated favoring the recognition of their independence.

Civil service reform promises to give rise to some debate in the committee. A determined effort will be made to secure a vigorous plank endorsing civil service.

Mr. Foraker will be chairman of the committee on resolutions. It was given out early in the fight that Mr. Lodge was to be its chairman provided a straight out gold plank was adopted, but having won this fight and the McKinley men having come gracefully into the gold camp, Senator Lodge rested his case and Mr. Foraker will be the chairman.

BUCKEYE NEWS.

New and Interesting Happenings Within Our Borders.

McKINLEY'S HOME.

Canton, O., Decorating in Anticipation of the Demonstration After the Announcement of the President's Nomination.
CANTON, O., June 16.—Canton has begun decorating in anticipation of the demonstration with which the news of Maj. McKinley's expected nomination for the presidency at St. Louis is to be received. A rain which began at noon threatens to interfere with the progress of preparations. But all will be in readiness, doubtless, when the time comes. One hundred rounds of ammunition were received Tuesday morning to be used in the brass cannon mounted on the public square. The first charge will be exploded by electricity. The cannon being connected by wire with the convention hall, it will be fired simultaneously with the announcement of the nomination. At that signal the fire alarm bells will be rung, whistles blown, etc. If in the day time, all business of whatever kind will be suspended in Canton, and the citizens, irrespective of party, will assemble on the square, march to Maj. McKinley's residence and congratulate him. There will be some speech-making, but not much. This programme, under the direction of the Business Men's association, is to be carried out regardless of time or weather.

Maj. McKinley spent the morning at home, where he received a number of newspaper men and a committee of the association in charge of the nominating demonstration.
